

The Purity of EcoSoya

EcoSoya™ has Proven Purity!

EcoSoya™ soy waxes were analyzed and scrutinized for the presence of pesticides, herbicides and genetically modified materials by experienced third party Accredited Laboratories. All results proved that EcoSoya™ CB-Advanced Soy, and PB contain NONE of these substances.

Good, old-fashioned, earth grown soybeans were used to create all our environmentally friendly EcoSoya™ waxes. EcoSoya™ CB-Advanced Soy, and PB are further enhanced with the finest carefully selected botanical oils giving them their performance characteristics. All EcoSoya™ soy waxes are guaranteed to contain NO petroleum, paraffin or beeswax products whatsoever. We also guarantee that all EcoSoya™ waxes are 100% vegetable.
